OUR SERVICE

- Standalone Machinery
- Turnkey Solutions: Automation Production Line.
- Full Customization
- Project Consultation and Delivery
- Remote Worldwide Support

We integrate solutions. We merge standalone equipment into complete, automated production lines.

More than a supplier, we are also a full-service project and plant planner, capable of designing your entire line from 0. We have successfully guided over 20 listed public companies in launching new plants and projects. We build high-quality, reliable machinery designed to minimize the need for after-sales service.

自動繞線機產品系列 Automatic Winding Machine Products Series

馬達轉子自動繞線機系列 Motor armature automatic winding machine series			兩極式定子自動繞線機系列 Two poles type stator automatic winding machine series		多極式無刷定子自動繞線機系列 Multi poles type brushless automatic machine series		多軸式自動繞線機系列 Multi axes automatic winding machine series	
								
勾式轉子繞線機(臥式) Hook type armature automatic winding machine	勾式轉子繞線機(立式) Hook type armature automatic winding machine(vertical)	嵌入式轉子繞線機(臥式) Stuffed type armature automatic winding machine	兩極式定子繞線(雙工位) Stator winding machine (with two axes)	兩極式定子繞線(單工位) Stator winding machine (with one axes)	外繞式定子繞線機 (Out-slot brushless motor stator automatic winding machine)	內繞式定子繞線機 (In-slot brushless motor stator automatic winding machine)	多軸式線圈繞線機 Multi-axes type coil automatic winding machine	空心線圈繞線機 Air coil winding machine

馬達轉子生產相關設備 Motor Rotor Production Related Equipment

										
軸心壓花機 Shaft embossing	軸心壓入機 Shaft assembly	絕緣紙插入 Insertion of slot cell	整流子壓入 Commutator assembly	整流子切溝 Commutator slot cutting	槽楔片插入 Insertion of slot wedge	轉子點焊機 Armature fusing	轉子測試 Armature test	凡立水烘乾 Varnish bake	轉子車削 Armature turning	風扇壓入機 Fan assembly

馬達定子生產相關設備 Motor Stator Production Related Equipment

		
絕緣紙插入 Insertion of slot cell	無刷定子槽楔插入 Brushless insertion of slot wedge	凡立水烘乾 Varnish bake

無刷馬達生產相關設備 Brushless Motor Production Related Equipment

轉子全自動生產線 Armature fully automatic production line

Bobbin生產相關設備 Bobbin Production Related Equipment

Bobbin 自動生產線 Bobbin fully automatic production line

半導體封測製程設備 Semiconductor Sealing Testing Equipment

"Wafer De-Tapping system" data-bbox="651 625 701 740"/>		
12"/"Wafer De-Tapping system	Micro SD/DDR4 Tester handler	Micro SD/DDR4 Tester handler

其它專用生產設備 Other Customized Production Equipment

							
自動化供料系統 Automatic feeding system	震動供料裝配設備 Vibration feeding assembling equipment	雙向軸承同步組裝 Two-way bearing synchronous assembling	馬達殼磁鋼組裝 Magnetic steel of motor housing assembling	鎢棒研磨機 Tungsten bar grinder	銅線針孔測試 Copper wire pin hole testing	齒輪啮合測試 Gear engagement testing	轉子自動車削機(四工位) Armature turning (with four axes)
